## WORDS

2017 is our 23<sup>rd</sup> year in business--thanks for your support! We're rumored to be haunted and are named after the ghost that shares this space with us. We reserve the right to limit splitting food and drink tabs. You must be 21 years old to consume alcohol by law, but 23 by our preference. Enjoy your time, food + drink, and please, **be careful on the stairs** 😊

## FINE PRINT

The Chicago Department of Public Health advises that the consumption of undercooked beef, pork, fish or shellfish may result in an increased risk of foodborne illness. We recommend ordering ground beef to be prepared to medium-well temperature and eggs to be cooked through. Don't drink (or smoke) if you're pregnant. Don't drink and drive **ever**.
